### English

- Build our vocabulary to describe characters and settings in different contexts.
  - Develop our sentences –holding sentences in our heads to write and apply phonics more independently, extending sentences using joining words such as so, but, then.
  - Develop correct letter formation and good presentation skills.
  - Build stamina for writing (writing more than one sentence).
  - Building vocabulary for writing (including adjectives).
- Non-fiction: Information books: What are information books? What are their features? How are they different to other books?
