

## Kinsale Infant School Sports Premium

From September 2013, the Government will allocate funding directly to schools in order to support the provision and quality of PE and sport. Schools are responsible for allocating spending in order to maximise impact for their children. We will measure the impact regularly and report this evaluation to Governors and on our website.

2021-2022

**£13,500 - Unspent From Academic Year 2020-21.**  
**Total Projected Spend - £21,220**
