

**Kinsale Infant School**  
**Sports Premium Impact**

From September 2013, the Government has allocated funding directly to schools to support the high quality provision of PE and sport.

Schools are responsible for allocating spending to maximise the impact for their children. We will measure the impact regularly and report this evaluation to Governors and on our website.

2022-2023

Total allocation £17,060 (+ carryover of £12,000) = £29,060

Total spend by July 2023 = £24,780

To carry over to academic year 2023-2024 = £4,280

Allocation	Spent	Not spent	Planned support and curriculum focus	Impact of Sports Premium
£13000	£11800	£1200	Develop our outdoor trim trail	Children are now able to regularly access equipment that develops their gross motor skills and supports sensory needs (such as proprioception).
£500	£850	/	Replenishing PE equipment (including agility tables)	Staff have access to equipment that enables them to teach PE effectively.
£600	£700	/	Waterproof clothing for Reception	Reception children can now access outdoor provision in all weathers.
£1500	£2500	/	Improve our bike skills provision – purchasing bikes and helmets	Children will now have regular access to bikes to improve their skills.
£120	£50	£70	Spotify premium	Children access music to encourage physical movement, such as on the playground for “Funky Friday”, dance lessons and in outdoor learning.
£360	£360	-	Sport Safe	Equipment is safe for children’s use.
£350	£380	/	Playground resources (ordered by Year 2 children)	Old and weathered equipment has been replaced with new equipment. Children are now engaged in a wider range of physical activity such as basketball and skipping.
£4200	£4200	-	Play lead	The role of our play lead continues to support children at lunch time to develop skills such as team work, specific gross motor skills and encourage collaborative play.
£1100	£2020	/	Table tennis provision	There are now two table tennis tables, resources and opportunities at lunch time to

				be involved in this physical activity.
£500	£580	/	New hi-viz vests for children	Children will all receive a new hi-viz vest to wear during the winter months to encourage physical activity to travel to/from school.
£695	£200	£495	Membership to RealPE	Staff are able to access RealPE to support their teaching of gym and dance.
£500	£700	/	Sensory circuits	SENCo has purchased equipment and training to introduce sensory circuits in the next academic year.
£2000	£200	£1800	Woodwork skills in Reception	Some resources and training have been purchased for Reception – this will remain a project to develop in the next academic year.
£200	£240	/	Portable speakers	Two new speakers are available for promoting physical activity at lunch times (dancing on Funky Fridays!) and for use within PE lessons.
