

## This week we have:

- We launched our new creative project by drawing a picture just based on a set of instructions. The picture we were drawing was 'Jungle Sunset' by Henri Rousseau. All of the artwork was so unique, despite being given the same instructions! This led us to our project question.. **“are all pieces of art original?”**
- In English, we have all been learning about **diaries** and we pretended that we were Samuel Pepys to write our very own version of what happened in the Great Fire of London. The children remembered so much about our learning from last term!

## Year 1 Phonics

New common exception words:

**very I'm**

We have been practicing adding 'ing' as a suffix to the end of words e.g. **kissing eating**

We also learnt about adding 's' and 'es' to singular words to make them plural e.g. **sleeps eats kisses benches**

## Year 2 SPaG (Spelling, Grammar and Punctuation)

Practiced suffixes that we have previously learnt:

**sion tion  
ful less**
